

2019 AAOM Annual Workshop
ANATOMICAL BASICS OF REGENERATIVE MEDICINE FOR
THE UPPER EXTREMITY & SPINE

August 1-3, 2019

Science Care Medical Training Facility BioSkills Lab | 19301 E 23rd Ave Aurora, CO 80011
Hotel Accommodations: Denver Airport Marriott at Gateway Park | 16455 E 40th Circle, Aurora, CO,
80011-0802 | (303) 371-4333 | M-FT9MCC3

Sponsor participation with AAOM opens a multitude of doors for companies seeking to expand their industry presence in regenerative orthopedic medicine. By exhibiting your products at AAOM events, you can showcase your company's latest products, attract new customers, and maintain a competitive edge in your field. Get your space reserved today and be part of one of the largest workshop events annually with AAOM.

The AAOM Annual Workshop is always "standing room only" so sign up now. The AAOM Annual Workshop is not only about Regenerative Orthopedic Medicine, it is about understanding the comprehensive curriculum of Regenerative Orthopedic Medicine, teaching you how to incorporate it into your offices, and giving you the tools to achieve successful patient outcomes in your practice.

This course is for PM&R, Sports Medicine Physicians, Orthopedists, Anesthesiologists, Rheumatologists, anyone ready to add cutting-edge regenerative orthopedic medicine techniques to their practice.

- Learn from leading experts in Regenerative Orthopedic Medicine
- Get cutting-edge research and best practices in Regenerative Orthopedic Medicine; PRP, Bone Marrow, Adipose, Prolotherapy, Manual Medicine, and more.
- Observe live patient treatment demonstrations and injections

- Learn hands-on physical exam and diagnostic techniques from expert faculty
- Connect with physicians who have the largest and most successful practices in regenerative orthopedic medicine
- Connect with vendors for the latest medical products in regenerative orthopedic medicine
- Experience musculoskeletal Cadaver Lab to enhance needle skills
- Inject cadavers with palpation, ultrasound and fluoroscopic guidance
- Inject cadavers with fluoroscopic guidance
- 21 AMA PRA Category 1 CME Credits

Exhibit Hours

Thursday, August 1, 2019	1:00 p.m. to 6:30 p.m.
Friday, August 2, 2019	7:30 a.m. to 5:00 p.m.
Saturday, August 3, 2019	7:30 a.m. to 5:00 p.m.

The AAOM is expecting a great turnout of almost 75 physicians from throughout the United States and other countries.

The AAOM appreciates your support of our Annual Workshop. If you have any questions or need additional information, please feel free to contact me by phone or email. I have listed my contact information below.
